It's time for the 2024

Annual Membership Drive!

On behalf of HumaneCNY, I'd like to sincerely thank you for your ongoing support of our mission throughout the year. Our staff and volunteers continue to be hard at work in 2024 caring for the many animals that have come our way. We always tell you about the medical cases that arise and require emergency care, so I thought I'd take a minute to give an update and explain what happens after these animals receive lifesaving medical care.

- Nyle is a 3-year-old stray tuxedo cat who came to us with severe injuries: his nose and jaw were completely shattered, and he suffered from violent seizures. He has seen neurology specialists and had many tests to ensure we are doing all we can to keep him happy and comfortable. Nyle is currently in the constant care of a loving foster.
- Leonard is a 1-year-old mixed breed dog that was found emaciated with a life-threatening abdominal blockage. After the costly removal of items from his intestine, we quickly learned Leonard would need around the clock care. He thinks *everything* is food! Thanks to the hard work and patience of his foster, Leonard has excelled with training despite all he's been through.

Both Nyle and Leonard are now on track to being placed into loving, permanent homes. We could not provide this kind of care without your support and the ongoing, diligent care provided by these fosters. The care provided for all animals at HumaneCNY goes above and beyond the initial emergency care that many animals so desperately need. We hope we can count on you to support our animals by replying to this Membership Appeal and by participating in an upcoming event!

- We are proud to be a **Boilermaker Charity Bib Partner** again this year with 11 runners raising money for HumaneCNY! You can donate to any of our runners (including me!) at www.humanecny.org/boilermaker.
- We are thrilled to announce that our **"Biggest Bake Sale Ever"** is back for 2024! Join us at the Clay Volunteer Fire Department, Rt. 31, June 15, from 9am to 3pm! Please email bethann.kistner@humanecny.org if you would like to bake for the event.

The shelter's need for support is constant. **Your contributions save lives daily! Please support HumaneCNY's 2024 Membership Appeal so that we may continue helping animals like Leonard and Nyle.**

Gratefully,
Maureen Davison, Executive Director

TOGETHER... We Make a Difference!

Nyle continues to rest comfortably in the care of his amazing foster. As you can see in the bottom row of photos, Nyle's fur has filled in nicely and he appears happier and more relaxed than he was when he arrived in November.

Some photos of Leonard's growth and progress over the last three months! Leonard and his incredible foster work hard on training every day which helps to keep him safe and happy.

YES, I'll renew or join today!
